This compound is truly the poor man's friend and the rich man's security. The clergy, the bar and the press have already re-choed the above statements.

GEORGETOWN AND ITS AFFAIRS.

GEORGETOWN, December 15-12 m. The weather, during the last forty-eight hours, has been decidedly the coldest we have had this season; and this morning we have a good sign for a deep snow.

Our harbor and canal both continue open and vessels and boats are still arriving-the report of certain persons elsewhere to the contrary notwithstanding. I understand that there will be made a strong

effort to keep the canal open until the middle of January; and, unless there should be a long spell of very hard weather, with drifting snow, I have no doubt it will be done.

Let every citizen feel it his duty to attend the retrocession meeting to-night; and the citizens of the county are invited to be present.

ELOQUENCE OF KOSSUTH. - The New York Times says that the panegyric of Burke on the eloquence of. Sheridan might almost be used to describe that of Governor Kossuth at the banquet on Thursday evening:

"He has this day surprised the thousands who hung with rapture on his accents, by such an array of talents, such an exhibition of capacity, such a display of powers, as are unparal-leled in the annals of oratory.

"Of all species of rhetoric, of every kind of

eloquence that has been witnessed or recorded, either in ancient or modern times—whatever the acuteness of the bar, the dignity of the senate, the solidity of the judgment-seat, and the sacred morality of the pulpit have hitherto fur-nished—nothing has equaled what we have this day heard."

Miss Hayes was wonderfully triumphant in Philadelphia. She was to visit Baltimore to-day, where she will give concerts on Wednesday and Friday evenings.

It has been prepared at the suggestion of one of our most eminent physicians, and has been used by many of his and my personal friends with signal success, and at whose carnest solicitation I have been induced to enter largely into its manufacture, assured by him and them that when generally known and tried it will supersed all the various cough candles and mixtures now in use.

As for myself, I am confident, from the ingredients of which it is composed, that, should it not effect an entire cure, it can do no injury even to the most delicate in health, and therefore have no hesitancy in introducing it to the citizens of Washington and vicinity.

ESSENCE OF COFFEE.

With 12½ Cents to save four Pounds of Coffee!

THIS ESSENCE has been proved by many thousands of the richest and most respectable families, as well as by the poorer class of people, almost through the whole United States, to be by far the best preparation of Coffee ever offered to the public. Coffee made by this Essence is much more wholesome, more delicate, fine-flavored, perfectly clear, and, in every instance, superior to the finest dava coffee.

In order to give full satisfaction and proof that the above article is perfectly healthy, and to show something of the deserved reputation it has gained and justly entitled to, we amex a few certificates and recommendations, particularly relating to health, from Dr. Booth and Dr. Chilton, practical Chemists and Analysists of the cities of Philadelphia and New York; also, from our Agents, all of whom are prominent Chemists and Druggists.

I have examined an article prepared by Messrs. Hummel, Bohler & Co., of Philadelphia, called Essence of Coffee, which is intended to be used with coffse for the purpose of improving it. WONDERFUL DISCOVERY!

All must admit there never has been given such a mass of genuine testimony in favor of any other medicine. Give it a trial! It cures when all other remedies have fulled. Greater weight of testimony cannot be given—from the first men in this country.

men in this country.

Baltimons, Sept. 18, 1861.

Gentlemen: After a full and satisfactory trial of the medicine prepared by you, and very generally knows as Dr. Hampton's Vegetable Tincture, which you recommended me to users a relief for the debility and general prostration of my system, the result of taking three bettles of this wonderful compound has, I am pleased to say, resulted in a rectoration of strength, a keen appetite, and an activity of body which I have not enjoyed for a long time. So satisfied and I of the virtues of this medicine, that I have confidently recommended it to many of my friends and acquaintances, and am happy to learn that in a great majority of cases the most beneficial results have stamped the infallibility of the Tincture. In my own case, I am satisfied that your advice to me to give it at rial has, under the bleasing of a kind Providence, resulted in a restoration to health, for which I am truly thankful.

More Home Testimony.—None Need Despair.
Try IT and Be Cured.—Wonderful and PerManent Cure of Dyspersia.

Baltimors, Sept. 13, 1851.

Messrs. Mortimer & Mondray—dentlement: This is to certify that in the year 1843 I was attacked with a naryous affection, in consequence of Dyspersia or Indigstion, which continued some eighteen months, during which time my sufferings were intense, both of body and 
mind. I tried every thing I could think or hear of, (as 
there was much sympathy for me, and at length all offorts failed to cure me. I became much weakened, and 
could walk but a very short distance at a time, and was 
often in the act of falling upon the pavenent, (I would 
stop in some door or alley to prevent it,) in consequence 
of frequent palpitations; and, from what I could learn, I supposed I had disease of the heart, from frequent distressing pains about the same; as also my chest and abdomen—the latter befing much distended. At this stage 
of my disorder I could neither est, sleep or walk with any 
satisfaction to myself. Tife seemed to be a burden teme. My feelings were gloomy beyond description.

I at length heard of Dr. Hampton's Vegetable Tincture, 
and made trial of it. I had but taken the first dose when 
I folt a change for the better, and hope immediately 
sprang up. I continued, with the use of this finaluable 
finature, to improve daily, until I had taken the contents 
of three bottles, which, under Divine Providence, made a 
perfect cure of me.

I found I had an excellent appetite, and could partake 
of any food, which I could not do for years previously 
without the most distressing semantions. I now enjoy 
uninterrupted good health, and have done so for the last 
eix years; and would say to all afflicted as I have been, 
to cast aside your prejudices, and try Hampton's Vegetable 
Tincture. Any information beside this but meagre description of my case will be given cheerfully for the benefit of the afflicted. Yours, William M. OlDHAM,

SUCH A MASS OF HOME TESTIMONY MUST CARRY CONVICTION TO EVERY MIND.

BAITMORS, Sop. 18, 1851.

Mesers. Mortimer & Mowbray.—Gentlemen: The cure of Mr. Robert Gault, by the use of three bottles of Hampton's Vegetable Tincture, as per-his certificate, is, I think, almost unprecedented. His case of extremely excruciating suffering, from Chronic Inflammatory Rheumatism, came immediately under my own observation, through the last four years, which I considered entirely hopeless. Through my earnest persussion, he was induced to try your invaluable Tincture. I was prompted to remark at the time, that if medicine would cure Mr. Gault, it certainly would "remove mountains." The knowledge of this miraculous cure compels me to consider it a duty I owe to the sifflicted (and particularly to those with complaints like his) to make generally known the healing power of this truly wonderful medicine. Yours, most respectfully,

JAMES F. MERRITT,
